

STORM ARWEN 26 to 27 November 2021: The Aftermath affecting the Old Railway line path to Threlkeld and the River Greta.

The tunnel at the Threlkeld end was blocked, though the debris / trees were cleared fairly quickly.

More distressing was the number of Trees damaged, River banks eroded and large areas stripped of vegetation and thus liable to slippage and erosion.

Pathway with felled trees and brushwood waiting for clearance

Damage to River bank and the River bed ...
